

# BEOVISION 14

RE-CRAFTED. RE-BOOTED.

## FOCUS POINT FOR ALL YOUR ENTERTAINMENT

BeoVision 14 is a 4K Ultra HD TV featuring a world of connectivity options, integrated access to all of your exciting apps - and boasting a bigger and more immersive sound than most standalone speaker systems. BeoVision 14 is powered by the ever evolving Android TV™ platform. It looks familiar but everything has changed, from the inside and out. Recrafted and refined for a whole new, living appearance, rebooted for a more flexible and independent television experience.
